'Revisiting Swathi Legacy in light of new facts'

talk by Prof. Achuthsankar S. Nair

Prof. Achuthsankar S. Nair is Professor of Computer Science, University of Kerala and former Director of CDIT, Govt of Kerala. He is educated from College of Engineering, Trivandrum; IIT Bombay; University of Cambridge and University of Kerala. He holds two PhDs; one in Engineering and another in Music from University of Kerala. He has guided 27 PhDs, authored over 250 articles and research papers and 18 books including a historic Novel "Tharipp". Awards won by him include Indian National Science Academy's First Teacher Award and Vaikom Maulavi Foundation's Award for Excellence in Social Service. He has delivered invited talks on Swathi Thirunal in forums such as Madras Music academy and Kalakshetra. His magnum opus titled "Swathi Thirunal - A composer Born to a Mother" has been published recently by Government of Kerala (Bhasha Institute).
