

## ABOUT THE BOOK

A thorough investigation about these tall claims about capitalism is a must and this is the basic theme of this book – The Politics of the Economics. The Author of the book has investigated and examined all these tall claims of benevolent nature of capitalism in depth and has presented his conclusions before us in the form of this book.

## ABOUT THE AUTHOR

Prashant Singh is a Chief Manager in State Bank of India – the largest commercial bank of India. He did his graduation and post graduation from Benaras Hindu University (BHU), Varanasi. Thereafter he completed his MBA from Benaras Hindu University in 1997 majoring in finance. Thereafter, he tried to understand the “economics” without the help of any “text book” by developing his own theoretical models and in process discovered some extremely shocking & disturbing facts about modern industrial economy. This book contains it all.

The real economics they don't tell you about.
