Mother of Mohiniyattam is a thought-provoking documentary on the life and works of Guru Kalamandalam Kallyanikutty Amma.

It is a reminder for generations to come to acknowledge the magnificent contribution of Guru Kalamandalam Kallyanikutty Amma.

She was never acknowledged for having single handedly revived Mohiniyattam in her lifetime, the Classical Dance form of Kerala, and seat it alongside the other Classical Dances of India.

This biopic is an emotional journey exploring the multi-faceted genius through the eyes of her granddaughter Smitha Rajan. Smitha continues not only her legacy but lives her dream while reminiscing her multifarious achievements, her path breaking research, her poetry, literature, dance, theater, cinema, music and so on.

Dr. Vinod Mankara director of the film has also written the script while Smitha Rajan is the proud producer of this film.
