SIMON WIESENTHAL CENTER HUMANITARIAN LAUREATE**

RSVP by e-mail to: ctr1.tg@gmail.com

The one-of-a-kind exhibition, co-sponsored by the UN, Israel, US, and Canada celebrates the incredible story of a people's love and commitment to its land and values. From our forefather Abraham to the technology of the Waze, it encompasses 3,500 years of tragedy, triumph, and the miraculous return to Zion.
