A special workshop for school children titled '*Impressions*' was organized on 27th April, 2016 on the eve of '*The World of Rock Art Exhibition*' at Regional Science City, Lucknow where students from various schools of Lucknow participated actively. As a part of the event, a painting workshop was organized on the 'World of Rock Art' in which more than hundred students from various schools namely; City Montessori School, Aliganj, Army Public School, Nehru Road, CMS Gomti Nagar etc. participated. During the Workshop, Dr. Pradip K. Srivastava elaborated the participating students about the rock art treasures of India and emphasised on its preservation as a cultural heritage. He also gave a demonstration on painting the various forms of rock art found in India.

After the workshop, all the students were issued a certificate for their active participation and some of the best paintings were selected for display in the exhibition gallery. All the participants highly appreciated the painting workshop and showed great interest in the exhibition. For instance, some of the participating students from CMS, Gomti Nagar said that the children's workshop was a very fruitful one as they get to learn about the rock art, the precious heritage of the world. The students from APS, Nehru Road stated that more and more such workshops and exhibitions should be organized as it gives them a glimpse of the primitive artistic traditions of our ancestors and also helps them in understanding the past better.
