**Programme Title:** Introduction of Museum

**Event type:** Film Screening

**Dates:** 24.08.2024

**Venue:** Exhibition hall Regional Centre, Puducherry

**Highlight:** The Puducherry Regional Centre recently organized a film screening focused on introducing the concept and significance of museums. The event saw enthusiastic participation from school-going students and teachers from various schools across the region.

The screening aimed to educate the young audience about the role of museums in preserving history, culture, and art. The film provided insights into the importance of museums as educational and cultural institutions, fostering a deeper understanding of heritage among the students.

The event was a resounding success, with students and teachers actively engaging in discussions following the screening. The Puducherry Regional Centre's initiative reflects its ongoing commitment to promoting cultural education and awareness among the younger generation.
