From 9AM to 1PM**

'Saksham Bharti', a professionally run registered NGO is working from last 20 years, having 4 centers in Delhi and in Noida locations, imparting skills development courses and training for those who are not from so privileged sections of our society. All the courses in these centers are industry relevant and aimed towards employability and livelihood generation. Endeavour of the group is to provide same quality education at almost free of cost for those who are not able to afford commercial training available in the market. This is possible by our trained full time faculty as well as by volunteers who are expert in their respective fields. We believe that small efforts from everyone bring big change in long run.

Saksham Bharti also carries out various regular activities beneficial for every individual and society at large. Our major activities includes free job placements for needy but deserving candidates for entry to junior level job positions, career counselling & personality development, providing more than 200 scholarships for higher education including career support, financial help and know-how for entrepreneurship projects, awareness workshops and camps for women and children.

The skillful and trained candidates for junior to entry level job positions are available for employment in the fields of '**Sales & Marketing**', '**Business Development**', '**Administration**', '**Finance & Accounts**', '**Human Resources**', '**Full range of Computers and Information Technology**', '**complete Customer Support & Services**', '**Teaching, Training & Coaching**', '**Health & Hospitality segments**', '**Candidates exclusive for Retail and Food Chains**', '**Beauty Culture Services**', '**Fashion Designing, Stitching & Tailoring**', '**Front Desk & House Keeping**' etc

Your support by employing deserving youth would strengthen in making them a responsible citizen of the society. Please confirm your participation by providing us the requested details at the earliest. We will be obliged.
