Bachelor

RESEARCH EXPERIENCE

2004—2005 Research Experiences for undergraduates, about the acceptance of Buddhism among Chinese literati in Six Dynasties

- made a close reading of Xie Lingyun's works and picked out Buddhist words
- investigated the affects of Buddhism on Chinese literati in the light of historical records

2003—2004 Research Program of the Collation between Chinese Buddhist Translations and Sanskrit Buddhist Manuscripts

- made a collated version with two Chinese translations and the Sanskrit original of Abhidharmakosa Sastra
- found out the difference among the three texts and researched on it
